Ally ko,

First, as usual let me wish us happy
3rd monthary. Time really flies so fast
huh. We became lovers from friends.
Before, we were stranger and didn't
even know if any of us existed back
then. Who knows, I will find my soulmate
this year?? Thanks for coming into my
life I love You so much Mahal na
mahal kita. Ami to make onek bhalobashi.
Te amo. Ich liebe dich Doosted daram.
Aishiteru. Sananghae. Wo ai ni.
No language is enough to express how
much love I have for You, mahal ko ♡

Even though I sarcastically said
"Maybe You can fix me XD", I didn't
know You would be the one for me.
Day by day, I became so dependent
on You. I felt comfort with You and
consequently You became my TAHANAN
hehe. Aishh, I felt weird kily while
talking to You back then as only friend.
It's kinda like we were pulling and
pushing each other at the same time,
But You know the, string theory.
It eventually brought us closer.
Now we are afraid of losing each
other.

I used to advise people saying
"If You don't make the first move,

nothing will happen". but never got
to apply in my life. I am grateful
and happy that, it's You for whom
I made a move. Thanks for choosing me,
trusting me even though You had a
sad past experiencing depression. Do
You still get sad? I hope not...
Thanks for opening Your precious heart
again for me. I promise, I will protect
it. I am a good keeper. I won't let
it get a single scar. Your heart is
safe with me, mahal deo.

Last Year, around this exact time
and date, I was a sad guy over
thinking about life, depressed, lonely,
unheard soul, craving for someone

I belong to. I am very lucky and grateful to find You. Would it be bakla if I say "You are my Queen in shining armour"? hahaha Thanks for being comfort zone.

Hey sweetheart, my oblivious heart always craves for You. I don't know why. As I said, I am really obsessed with You. Don't get scared hahaha (Skull emoji). The more the days are passing by, the more I am falling for You. Can You catch me bebe?? hehe

You know... back in 2023, I heard a Korean song (forgot the name gosh!!!) whose lyrics got me. Since I had no one back then share to, let me share the lyrics with you.

Love me in the Spring time,
when all is green and new,
Love me in the Summer,
when the leaves are turning brown.
Love me in the Winter,
when the snow is falling down.
Love me when I'm happy
and even when I'm sad.
Love me when I'm good
or when I'm oh! so bad.
Love me when I'm pretty or
if my face is plain.
Love me when I'm feeling good or
when I'm feeling pain.
Love me always darling
in the rain or shining sun
Love me always darling
after all is said and done.

Love me always darling,
until all our life is through.
Love me always darling,
for I'll be loving you!!!"

The summary of these lines is like
keep loving and choosing me with the
same energy no matter the incident.
Hope you never get tired of this
obsessed lover boy hehe

Wishh!! Is it a love letter or
an essay huh! HAHHA. I just can't
stop when I sit to write That's
why I always like to write at night
peacefully haha.

Enough covey covey talking,
